

COSTA MESA SANITARY DISTRICT  
MINUTES OF RECYCLING COMMITTEE MEETING  
FEBRUARY 9, 2004

---

The Costa Mesa Sanitary District Recycling Committee met at 9:00 a.m. in conference room 5A at the Civic Center, 77 Fair Drive, Costa Mesa.

Directors Present: Dan Worthington, Arlene Schafer

Staff Present: Rob Hamers, Tom Fauth, Joan Revak

---

Director Worthington called the meeting to order at 9:00 a. m.

**STRATEGIC PLANNING 2004 – PUBLIC OUTREACH – CLASSROOM RECYCLING PROJECTS**

Director Worthington reported a presentation at Killybrooke School was cancelled. A presentation is scheduled for February 23, 2004 at Adams Elementary School.

**COSTAMAZING – DISTRICT PARTICIPATION**

Ms. Revak reported the CostaMazing event went very well. Pepper Tree packets, District brochures, promotional materials and videotapes were distributed at the District's booth. Representing the District at the event were Directors Woodside, Perry and Ferryman as well as Staff members Rob Hamers, Tom Fauth, Joan Revak and Denise Gilbert.

**2003 SCHOOL TELEPHONE BOOK RECYCLING PROGRAM**

Ms. Revak presented the final report on the 2003 School Telephone Book Recycling Program. It was another successful year in the program with a total of 16,155 books (32.31 tons) collected. Kline school won for the elementary category, TeWinkle won for middle school, and Estancia won again for the high school competition. A total of \$10,239 will be distributed to the schools.

Ms. Revak reported a total of 125,000 books (250 tons) have been collected since the inception of the program in 1996 with schools receiving awards from the District totaling \$71,000.

### **2003 CHRISTMAS TREE RECYCLING PROGRAM**

Ms. Revak presented a final report on the 2003 Christmas Tree Recycling Program, reporting that 9,126 trees (118.63 tons) were collected for recycling.. The City of Costa Mesa reimbursement request totaled \$5,913.70.

### **RECYCLING DRY CELL BATTERIES**

Director Worthington reported CR Transfer currently separates batteries from the trash with their magnetic system. Since a large percentage of batteries are currently being removed from the waste stream, Costa Mesa Sanitary District will not pursue a program at this time.

### **PUBLIC COMMENTS**

There were no public comments.

The meeting was adjourned at 9:57 a.m.
